Dear Sir or Madam:

Attached please find a Tariff Schedule of Rates and Charges for Service for Empirita Water Company, LLC as approved by Decision No. 70203.

This notice will also be included as an insert in the next regularly scheduled monthly billing to customers.

The filing is submitted to comply with orders as stated on Page 8, beginning with line 6, and also Page 9, beginning with line 26, of Decision No. 70203.

Additionally, the Company has not perpetuated the assumed typographical error contained on Page 8, Line 17.5, which states the approved commodity rates are "Per 1,00 gallons". Based on the comma position and Commission practice, we assume the commodity rates are to be per 1,000 gallons and not per 100 gallons.

If you have any questions, please don't hesitate to contact me at the number listed below, or James Vermilyea at 520.885.1666.

Sincerely,

Sonn S Rowell, CPA
